- Role model safe and appropriate uses of technology and social media.
- Identify changes in behaviour that could indicate that their child is at risk of harm online.
- Seek help and support from the school, or other appropriate agencies, if they or their child encounters online problems or concerns.

Pupils are encouraged to:

- Engage in online learning activities including games and quizzes

Parent E-safety Agreement

As the parent or legal guardian of
I have read and understood the attached school e-safety rules and grant permission for my daughter or son to have access to use the internet and other ICT facilities at school.

I know that my daughter or son has signed an e-safety agreement form. We have discussed the e-safety rules attached to this document and my daughter or son agrees to follow the rules and to support the safe and responsible use of ICT at The Cambridge Primary School.

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using an educationally filtered service, restricted access email, employing appropriate teaching practice and teaching e-safety skills to pupils.

I understand that the school can check my child's computer files and the internet sites that they visit, and that if they have concerns about their e-safety or e-behaviour they will contact me.

I understand the school is not liable for any damages arising from my child's use of the internet facilities.

I will support the school by promoting safe use of the internet and digital technology at home and will inform the school if I have any concerns over my child's e-safety.
